OK,

So I looked at my files, I had started the email to Astroturf with draft notes but was not sure about the email address for the person whose name we spelled Parish, in the notes. I emailed Nancy and Nancy got back to me a bit later, but I did not finalize the email. I will do so now.

Not sure, I will check my files. I'll do so after I finish the workplans. We also need to send [redacted] notes to Jackie.

Hi Ksenija, I was checking emails and notes for the final Astroturf transcript and only saw the draft one so far. Did we ever send this out to AT for them to review?

Thanks, Ksenija! Please see attached with some minor edits and questions in track changes, as well as minor edits to the email. Please feel free to send out after addressing them. I pushed back the date to 9/13 somewhat assuming you'll be sending Tuesday 9/6. -N
